01-16170 ADMINISTRATIVE BULLETIN 1, ADDENDUM 1**

Administrative Bulletin 1 and Addendum Number 1 to the Request for Proposal (RFP) for the External Quality Review Organization (EQRO) incorporates changes to this RFP and responds to a verbal question received and other inaccuracies discovered in the review of the RFP. Within the text of the document, changes are highlighted with a vertical bar appearing to the right of any paragraphs that were revised. Deleted language is noted by ~~strike through~~ presentation.

Any changes made to the RFP are published as additional or replacement pages to the RFP. Because the RFP is available in hard copy or in an electronic version two tables are included in this bulletin. The instructions for updating the hard copy version are for the replacement pages enclosed, which are double-sided.

In order to configure the RFP so that it accurately reflects the current requirements and considerations, add the new page or remove the existing page and insert the appropriate replacement page as indicated in the following table:
